## YOUR LOCAL ASSET MANAGEMENT COMMUNITY OF PRACTICE IN BC.

Enhancing BC communities through leadership in asset management.

**Thursday Keynote Speaker:** Dr. Guy Félio, P.Eng., FCSCE, IRP (Climate)  
Senior Advisor, Asset Management Solutions and Infrastructure Resilience,  
Stantec Consulting Ltd.

Dr. Félio is a civil engineer with more than 35 years of experience in the field as a university professor, researcher, consultant and policy advisor. At Stantec, Guy provides expertise and support in the areas of asset management and adaptation of the built environment to climate change. During his career at the National Research Council, Guy led the Urban Infrastructure Research group, focusing on technological and management improvements for municipal infrastructure. He launched InfraGuide – a program that produced 55 best practices to support municipalities manage their assets, and provided expert advice to Federal infrastructure programs. Guy was the Project Coordinator and principal author for the first Canadian Infrastructure Report Card published in September 2012, and Councillor in the City of Clarence-Rockland (Ontario) from 2010 to 2014.

**Friday Keynote Speaker:** Mayor Kathy Moore, City of Rossland

After two terms as a Rossland councillor, Kathy Moore is proud to be serving the community in her new role as Mayor. Born and raised in California, she is a dual citizen with undergraduate and law degrees. She is retired from a career in sales management consulting. Kathy has a passionate interest in seeing Rossland strengthen its commitment to good governance, regional cooperation, accountability to residents and to continue the implementation of the Strategic Sustainability Plan. She is proud of all the accomplishments that were achieved by the city over the last few terms. She believes our community is made stronger by community engagement, open and honest communication and lively discourse. She looks forward to representing Rossland, along with the other local mayors, on the RDKB board as well as the following committees: Broadband, Sewage, Communications, Financial/Audit/ Organizational planning, Public Works, Community Groups, Administration/Compensation and the West Kootenay Economic Development Dialogue group.
